## Strong Bodies Class with Loyal Public Library Director Teresa Hall

Helping you stay active and healthy is important to us. It's one way we can help you maintain your independence and live the most healthy life. Teresa is a certified Strong Bodies Instructor. This 8-10 week strength training class in the Library made possible by our partnership with the UW-Extension office of Clark County.

## Gab and Gobble Speaker Partnership Inspires and Offers Social Hour

The Loyal Library teamed up with the Aging and Disability Resource Center to serve lunch with information and conversation. Topics chosen by attendees included: Finance, Nutrition, Health, Mobility, Safety, Planning/Organizing, Computers, and more.

## Your library is here for you:

Open 24/7 online. Able to assist you by phone, email, chat, or drive-up service. Use our free wifi from the comfort of your car!

At the Golden Agers program, I learned about the services that Clark County ADRC has to offer. It was exactly what I needed to learn about because of what I'm going through (being a caretaker to my husband).

“ This was one of the first places that I went to when we moved here almost seven years ago. I have always been a patron to the library wherever I've lived. They have SO much to offer everyone. I was greeted warmly by the staff and have been a "regular" ever since. The staff is WONDERFUL and they have always gone above and beyond to be helpful.

“ As a teacher of literature at both the high school and college level, once I retired, I seemed to have lost the time, ironically, to read. The Loyal Library has helped rekindle that joy.
